

Finding the good

CLINICIAN/CLINICAL CASE MANAGER/SOCIAL WORKER

Bulletin No. CCM12-05

January 26, 2012

TREATMENT FOSTER CARE

**Clinical Case Manager
Full-time, 80 hours bi-weekly**

This position involves the total caseload management working with children and adolescents in treatment foster care homes, clinically supporting treatment home providers in their delivery of care plans while providing intense therapeutic services to clients. This positions reports to the Program Manager, Treatment Foster Care.

Primary responsibilities of the position include:

- Supervision and support of assigned foster homes through bi-weekly visitations.
- Teach and assist caregivers in therapeutic parenting skills, goal setting and implementing the treatment care plan.
- Advocate for the children and their families to obtain the best possible service for the child.
- Facilitate effective team functioning with all those involved both internally and externally.
- Evaluate and monitor progress of the treatment care plan, making referrals for counseling and/or education as required.
- Assessing, preparing and documenting home studies.
- All other duties as outlined on the job description.

Qualifications:

- Minimum BSW, MSW or combination of education and experience
- Three or more years' experience working in child welfare or similar setting
- Previous experience working in foster care
- Experience working with at risk youth with behaviour difficulties
- Ability to work well independently and as part of a team
- Proven ability to apply clinical skills
- Strong verbal and written communication skills
- Satisfactory criminal record check and clear child abuse registry with prior contact check
- Valid drivers' license

Deadline for applications:

February 6, 2012

Salary Range:

F6 Scale \$17.9826 to \$25.9488

Internal Applicants:	Submit 'Internal Application Form'
