

MARYMOUND

Finding the good

## Work Placement Consent Form

---

Marymound School offers an innovative vocational initiative called S.W.E.E.P. (Student Work Experience Program) that connects students with work placement. S.W.E.E.P. provides young people with valuable work experience and training.

Students are supervised in the field by a Marymound staff person.

With your permission below, your child may have the opportunity to participate in this program.
